LOCATIONS IN FLORIDA & CONNECTICUT

CareMedica Elite FLORIDA | 3401 PGA Boulevard, Palm Beach Gardens, FL
Our Florida office, located in the heart of picturesque Palm Beach Gardens, invites members into its newly constructed, luxury medical office where cutting-edge technology and 5-star service combine to provide a completely unique experience for members.

CareMedica Elite CONNECTICUT | 451 State Street, Suite B, North Haven, CT
Our Connecticut office, located in charming North Haven, is just a short drive from downtown New York City. Members benefit from our deeply-rooted, direct affiliations with the nearby Yale University School of Medicine. CareMedica Elite has proudly served its exclusive community of members across the Northeast for over a decade.

Why Concierge Medicine?

This is so much more than a traditional doctor's office visit... At Elite, we deliver you back to a time when doctors and patients shared personal, meaningful relationships. Enjoy unlimited time with your private physician to discuss every major and minor change to your health, as well as year-round access to our entire team of specialized medical staff and personnel.

Enhanced Visit Experience

When you come into the office, you are greeted with a warm welcome, complimentary refreshments, and a warm towel to ensure the highest level of service. Truly, our members are the center of everything we do. Concierge staff make sure to answer all your questions and handle your requests, including convenient appointment setting and prescription refills.

Supporting Active Lifestyles

Your wellness goals are unique, and we plan to work with you to meet them. For those who live life to the fullest — be it on the golf course, the open seas, or the pickleball court — CareMedica Elite provides the highest level of daily care management and sports injury prevention to ensure that you're constantly staying on top of your health and wellness.

MEMBERSHIP BENEFITS

UNLOCK THE FULL POTENTIAL OF YOUR HEALTH & WELLNESS

✓ Private Physician

Enjoy unlimited access to your private physician, with a direct line of personal communication for prompt medical attention.

✓ Concierge Assistance

Rely on around-the-clock concierge support to assist with appointment coordination, prescription refills, and other medical inquiries that arise.

✓ Same-Day Visits

Come by the office as often as you'd like, with same-day appointments offered for routine check-ins, exams, or simply to say hello!

✓ Complete Care Team

Meet with any and all of our affiliated physicians and medical specialists for second, third, and fourth opinions on medical questions or concerns.

✓ Longer Appointments

Never wait to be seen or feel as though you're being rushed. Your private physician never sets limitations on appointment times.

✓ Fitness Coaching

Get matched with a personal fitness coach and/or nutrition specialist to customize a fitness plan and/or healthy eating plans that suits your body goals.

✓ Yale University Affiliated

Affiliated with Yale University, and connected to a network of all other leading medical institutions, we boast a superiorly esteemed staff.

✓ Travel Medicine

Rely on your clinical concierge to assist with care coordination while traveling, either domestic or abroad — personal dossiers available upon request.

✔ Preventative Diagnostics & Advanced Screenings

We bring all your health data together — genetics, bloodwork, family history — to provide a comprehensive picture of your current health and future well-being. With CareMedica Elite, you'll take a fully proactive approach, collaborating with your dedicated care team to actively monitor and optimize your daily wellness.

Our exclusive partnerships with top diagnostic companies — including *Prenuvo Total Body MRI*, *Myriad Genetics*, and *Galleri Cancer Screening* — grant you access to the latest advancements in preventive medicine. By leveraging such cutting-edge medical technologies, our providers gain deeper insights into your health, empowering you to prioritize longevity and focus on long-term health.

✔ On-site Labs & Procedures

Offering in-house lab work and special procedures for prompt testing and rapid results delivery from the convenience of our office.

✔ Private Members Lounges

Enjoy a refreshingly relaxed pre- and post-visit experience inside the members lounge, complete with luxury furnishings and daily refreshments.

✔ Northeast to Southeast

Members enjoy full access to our CareMedica Elite offices across the country, from CT to FL, ensuring year-round care no matter where you reside.

✔ On-demand Telehealth Care

Speak with your Doctor no matter where you happen to be, with virtual telehealth visits available at all times, easily accessible from your mobile device.

ADDED BENEFITS...

Community Events

Our CareMedica Elite Community of members meets regularly for events and activities, including group fitness classes, guided yoga and stretching, special holiday outings, and health-oriented seminars presented on topics chosen by the members themselves!

Custom Vitamins & Supplements

In collaboration with your personal physician, you will undergo a comprehensive whole-health analysis to determine which vitamins and supplements are essential for you to operate at the highest level, then you'll receive an annual supply — all included with membership!
